

A VERY WARM WELCOME TO OUR NEWSLETTER

Welcome to the June edition of our monthly newsletter. This is our final newsletter for this school year and we hope you have enjoyed reading them every month. We would like to take this opportunity to thank all our families for helping make this year as successful as it has been throughout Covid 19 restrictions. As at the end of every school year we sadly have to say goodbye to the children who are graduating from Kelly's Bay Montessori to start their next stage in their learning journey in primary school. Our Graduation Ceremonies will take place on Thursday 1st July in our school garden and time slots have been sent via Whatsapp. (If you have not received your time slot, please let us know.)

A Farewell to Our Amazing Colleague

Over the past few months we introduced a new aspect to our newsletter with "Meet the Team", which is a fun and enjoyable way for all families to know more about members of our team. Back in our December 2020 newsletter we introduced you to Aileen who works in our morning session in Class 2. Unfortunately it is with great sadness that we have to bid a very sad farewell to Aileen, who will be retiring on the 30th June 2021. Aileen has worked in the childcare sector for over 25 years and has brought a wealth of knowledge, experience and more importantly an understanding on how to nurture every child in her care. Aileen has always gone over and above in her role as an early years educator. It is not

only the children over the years who have had the privilege of having Aileen teach them but also everyone who has worked with her over the years. There are not enough words to express how grateful and honoured we all feel in Kelly's Bay Montessori to have worked alongside Aileen. We would like to take this opportunity to wish Aileen all the happiness in the world in the next stage of her life.
