

A VERY WARM WELCOME TO OUR NEWSLETTER

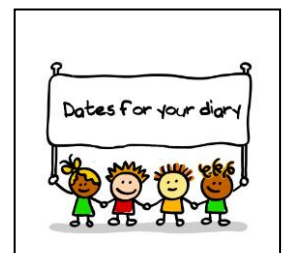

Welcome to the February edition of our monthly newsletter, which will keep parents up-to-date on what is happening in our school. **Just a reminder we will be closed on Bank Holiday Monday 5th February and Mid Term Break for our ECCE classes will be from Monday 12th – Friday 16th February 2024.** For those children booked into our Mid Term Break Camp this will run 9.00 am – 1.00 pm Monday 12th – Friday 16th February 2024, no uniform required to be worn and any balances outstanding for this camp should be paid on or before Monday 12th February.

School CLUBS

We currently have limited availability in both our Morning and Afternoon Clubs for Classes 1 and 2. These clubs are an ideal way for furthering children's social skills, in a fun environment. Please contact Breiffne via Teachcloud if you would like to book your child into any of these clubs.

We are delighted to announce we will be running Easter Camps over 2 weeks during Easter Holidays:
Week 1 25th-29th March 2024
Week 2 2nd-5th April 2024

Further information and booking details to follow when we return from Mid Term Break

To celebrate Valentine's Day children are invited to wear red or pink clothes into school on Friday 9th February 2024

Recycling Made Fun

Recycling is an activity that the entire family can get involved in and it's a great way for your children to get creative and a good concept to promote as parents and educators. Children will see that recycling goes beyond simply putting things into our green bins. By repurposing items before throwing them away, children will learn that making new items from recycled items reduces waste. There are lots of fun activities that can be done using recycled materials in our homes including make a hanging garden by using large plastic bottles as hanging planters or making plastic bottle birdfeeders. Instead of throwing away toys your children are done playing with, help them choose some to be donated and reused by other children. Lots more activities can be found at <https://www.naturespath.com/en-us/blog/19-activities-kids-learn-recycling> <https://handsonaswegrow.com/free-recycling-activities-kids>

We will have lots of fun in KBM during our Recycling/Care of the Environment Week.

Along with following the children's emergent interests, our themes for the month of February will include:

Healthy Eating

Valentine's Day

Recycling/Care of the Environment
